

# Chartwell

Speakers • Authors • Ideas

*As the astonishing year that was 2016 has drawn to a close, we're looking ahead at the key trends set to define 2017. From Brexit and Trump to cyber security, we hope our top ten speakers in each topic will provide a spark of inspiration as you plan your events programme.*

## EUROPEAN ELECTIONS

Low economic growth and the refugee crisis have fuelled anti-EU populist movements across the continent. Will elections in Italy, France, the Netherlands and Germany further damage the European establishment beyond repair?

## BREXIT

There's still a huge amount of uncertainty as to when Article 50 will be triggered and the shape the Brexit negotiations will take. The future of the UK and Europe hang in the balance, and the world will be watching with bated breath.

## PRESIDENT TRUMP

The unpredictable firebrand billionaire will be inaugurated on January 20th. Will he be able to unite a deeply divided US? How will his presidency re-shape the US' relationship with key global players such as China and Russia?

## INNOVATION

What are the key tech trends to re-shape the business landscape in 2017?

## ASIAN GROWTH

With continued growth expected in 2017 Chartwell has a great selection of eminent speakers to share their opinions.
